

Hello everyone!

We are so excited to announce that our Annual ACS Dinner Auction will be on Saturday, April 27, 2024. One way each grade level will have an opportunity to participate this year is an assigned Gift Basket theme for their class. We will be asking the class to collect items that pertain to their particular theme to complete a basket for the auction. For example, if your grade's theme is Gardening, you could gather and donate items such as pots, seeds, tools, gloves, etc. Don't worry, we will send you ideas of items you can gather. Donations for the Dinner Auction are due on Friday, April 19, 2024.

Thank you for your time and participation,

Please email us if you have any questions: arcatachristian@gmail.com
