PRE-ENROLLMENT FOR 2024-25 SCHOOL IN PROGRESS:

Please help the school plan for the 2024-25 school year by completing pre-enrollment forms sent home earlier. The school can take advantage of discounts on curriculum and equipment purchases by submitting our orders in June. Our major supplier, Abeka Book, offers a discount for schools submitting their orders in June. We also have to consider staff needs and how we will assign classroom space based on student enrollment by grade level, so please let us know your plans.
