**GENERATOR INSTALLATION HELP NEEDED NEXT WEEK** Rod Robinson (R&R Electric and Chairman of the ACS School Board) would like to work on installing the necessary electrical equipment to run the newly acquired generator for our school. Skills in basic carpentry would help but not necessary to help in this project. If you might be available to help out please call the school office at (707) 822-5986 or Mr. Wunner at (707) 839-0329 (leave a message if you get answer machine). The proceeds will be divided between the two class trips this year (Third and Fourth Grade/Seventh and Eighth Grade). Thanks to the kitchen crew and Jeff Wickizer/James Ratcliff for helping to set up. A thank you as well to all who took the time to help stack chairs after the event-so appreciated!
