SPECIAL CHAPEL on WEDNESDAY, 10 AM ON MARCH 18

Thanks to former student, Roshelle Howard, we will have a touring team of Paradosi Ballet Company dancers visit our school on the above date and time. Paradosi Ballet Company is a Christian ballet company that was formed with the goal of sharing the love of Jesus through dance, drama and personal witness. Parents are invited to attend this special performance. You may visit their website at:

“CORONA VIRUS” CONCERNS We want to assure all our families that the school board, administration and staff are aware and tracking information regarding the spread of this virus. Mr. Wunner receives information and updates **daily** on this latest health treat. Hand washing, covering one’s mouth when sneezing/coughing, staying home from school when student has symptoms are some strategies we all can follow during the “flu” season.

BASKETBALL SEASON CONCLUDES The 2020 basketball season ended on Thursday with a wonderful game vs. Redwood Christian School. We are very proud of our team and the effort they put forth this season! They ended with a 6 win - 6 loss record. Thank you to Jesse Hindbaugh and Jeanette DeWitt who coached the team. Also to the Snack Shack Moms, Scott Aponte (score clock) and everyone else who helped throughout the season.

CHEERLEADERS APPRECIATED The ACS cheerleading team, under the direction of Dr. Erica Hindbaugh, closed out the season with some treat routines at the February 27 game. Redwood Christian also brought their cheerleaders who shared the spotlight at halftime with their routine. This is the second season for our cheer team. They represented our school very well throughout the season.

GENERATOR NEWS Thanks to Rod Robinson we have made great progress on installing the transfer switch which will allow us to run power from the generator into our school classrooms. Mr. Robinson worked over the President’s break on this project. Work continues to complete the electrical aspects of the project and we will be running tests soon. We have asked Arcata Fire Department to advise us on requirements regarding storage of the generator and fuel.

THANK YOU Mr. Wunner would like to thank all of you who were kind enough to bid him a happy birthday on February 25 and days following. Spending my birthday with the students of the school made it such a wonderful day and all the hugs I received just warmed my heart. It was one of the most enjoyable birthdays I’ve had. To dispel any rumors that I am nearing 100 years of age, I hereby declare that this was my 77th birthday.
